Unleash Power from the Palm of Your Hand

Transform any space into a productivity hub with the Thinvent® Aero Mini PC. This compact powerhouse delivers reliable, everyday computing for business-critical tasks without the bulk or expense of a traditional desktop.

Perfect for Professional Environments

- Deploy a clutter-free digital signage or kiosk solution that commands attention.
- Run point-of-sale systems and administrative software with dependable, consistent performance.

- Create a secure, dedicated workstation for inventory management or logistics, free from unnecessary connectivity.

Engineered for Simplicity and Reliability

Its robust steel and ABS construction is built for 24/7 operation in demanding environments like workshops, retail floors, and offices. With essential ports for displays and peripherals, it integrates seamlessly into your existing setup. The included keyboard and mouse mean it's ready to work straight out of the box. Choose Thinvent for industrial-grade computing that focuses purely on the job.
