Ideal for

The Thinvent® Aero Mini PC is your compact powerhouse for everyday business computing. Its fanless, robust design delivers silent, reliable operation perfect for environments where space is limited and reliability is paramount.

Perfect for any business setting

- Effortlessly run digital signage, point-of-sale systems, and information kiosks.
- Serve as a dedicated workstation for office productivity, web browsing, and communication apps.

- Deploy as a thin client or for light-duty server applications with consistent 24/7 readiness.

Why choose the Aero

Its industrial-grade construction ensures durability in commercial and light industrial settings, while versatile connectivity options allow you to connect all essential peripherals. Energy-efficient and ready to integrate into your existing setup, the Aero Mini PC is the smart, simple solution to drive your business forward.
