Power in a Pint-Sized Package: The Aero Mini PC is your gateway to reliable, compact computing.

Ideal for Business & Industrial Use

- Engineered for demanding digital signage and kiosk applications, delivering crisp visuals without faltering.
- The fanless, robust design ensures silent, dependable operation in retail, hospitality, or factory settings.
- Offers versatile connectivity to become the central hub for multiple displays and peripherals.
- A perfect, cost-effective solution for thin client setups or dedicated point-of-sale systems.

Why Choose the Thinvent Aero Mini PC

Forget bulky towers. This miniature powerhouse delivers serious performance where space is at a premium. Its industrial-grade construction is built to last in 24/7 commercial environments, providing unwavering reliability day in and day out. By arriving without a pre-installed operating system, it grants you complete freedom to install the specialised software your project requires. Simply add your preferred OS and it's ready to transform into a secure, dedicated workhorse. Streamline your operations with a computing solution that's small in size but immense in capability.
