Unleash big performance from an incredibly compact footprint.

The Thinvent® Aero Mini PC is the ultimate space-saving solution for modern business environments. Engineered for reliability and ease of use, it delivers seamless operation day in, day out.

### Built for Business

- Experience smooth multitasking and rapid application response for point-of-sale, digital signage, and office productivity.
- Its robust steel construction ensures dependable operation in demanding settings like retail kiosks, reception desks, and light industrial control panels.
- Dual Ethernet ports provide essential network redundancy and flexibility for secure, wired connections.

### Ready to Work Right Out of the Box

- Comes complete with a keyboard and mouse set for immediate setup.
- The integrated Thinix™ operating system offers a secure, stable platform with essential business software pre-installed, from office suites to advanced remote management tools.
- Connect all your essential peripherals with abundant front and rear USB ports, plus HDMI and VGA for maximum display compatibility.

Simplify your IT infrastructure with a powerful, plug-and-play computing hub that saves space without compromising on capability. The Aero Mini PC is the smart, streamlined choice for a focused digital workspace.
