Power your small business, not your electricity bill.

The Thinvent® Aero Mini PC delivers robust, reliable computing power in a space-saving and energy-efficient design. Built to thrive in demanding environments, it's the perfect, affordable foundation for a streamlined digital workspace.

Ideal for

- Creating a clutter-free point-of-sale or information kiosk.
- Running essential office applications and business software smoothly.
- Serving as a dedicated machine for digital signage or reception areas.
- Powering a compact workstation in tight spaces like workshops or labs.

Why choose the Aero Mini PC

Engineered for reliability, this mini PC features durable construction to withstand the rigours of daily commercial use. Its dual Gigabit Ethernet ports ensure a stable, high-speed wired network connection, crucial for business operations. Pre-installed with Windows 11 Pro, it offers enhanced security and management features right out of the box, providing a professional and protected platform for your work. The included keyboard and mouse set means you have everything you need to get started immediately, maximising productivity from day one.
