Power your small business, not your electricity bill.

The Thinvent® Aero Mini PC delivers robust, reliable computing power in a space-saving and energy-efficient design. Built to thrive in demanding environments, it's the perfect, affordable foundation for a streamlined digital workspace.

### Ideal for

- Creating a clutter-free point-of-sale or information kiosk.
- Running essential office applications and business software smoothly.
- Serving as a dedicated machine for digital signage or reception areas.
- Powering a compact workstation in tight spaces like workshops or labs.

### Why choose the Aero Mini PC

Engineered for reliability, this mini PC features durable construction to withstand the rigours of daily commercial use. Its dual Gigabit Ethernet ports ensure a stable, high-speed wired network connection, crucial for business operations. Pre-installed with Windows 11 Pro, it offers enhanced security and management features right out of the box, providing a professional and protected platform for your work. The included keyboard and mouse set means you have everything you need to get started immediately, maximising productivity from day one.
