Thinvent Keyboard and Mouse set

SKU: AERO-I5_12-16-M256-12_5-X-11O-KM

Powerful computing that fits neatly into any workspace, the Aero Mini PC keeps your business moving without the bulk.

Designed for the demands of everyday professional life

- Handles multiple tasks at once with effortless ease, from spreadsheets to video calls
- Boots up quickly and responds promptly, so you spend less time waiting and more time doing
- Runs quietly and stays cool, making it an unobtrusive companion for busy offices and shops

Built to last in demanding environments

- A sturdy steel and plastic housing protects the hardware through long working days
- Powder-coated finish withstands the knocks and scrapes of real-world use
- Compact dimensions let you tuck it behind a screen or under a desk, freeing up valuable space

Ready to work wherever you need it

- Suits front-of-house systems, reception desks, point-of-sale stations and back-office workstations

- Connects easily to standard monitors and peripherals, giving you a simple setup without fuss
- Comes with a full keyboard and mouse, so you have everything you need from the moment it arrives

A reliable foundation for your operations

- Runs Windows 11 Professional, enabling secure, manageable and productive computing
- Offers multiple USB ports and networking options for smooth connectivity to your devices
- Designed and constructed with quality in mind, giving you confidence in day-to-day performance

Whether you are outfitting a new office, upgrading an existing setup, or building a dependable workstation, the Aero Mini PC delivers solid, space-saving power that works as hard as you do. Choose it for simplicity, durability, and the peace of mind that comes from a brand that understands real working environments.
