

Thinvent Aero Mini PC

AMD Ryzen 5 7530U processor

6 core, up to 4.5 GHz, 16 MB cache

16GB DDR4 RAM (2 x 8GB)

256GB SSD

No WiFi

Without OS

SKU: AERO-R5_75-8_8-M256-19_3-X-W_OS-0

Big performance in a small, dependable package.

The Thinvent® Aero Mini PC brings AMD Ryzen™ 5 7530U power to your desk, your counter, or your shop floor. With six cores and speeds up to 4.5 GHz, it handles everyday business software, billing, browsing, and multitasking without making you wait.

Why the Aero deserves a place in your setup

- It fits where space is tight. The compact steel and ABS housing slips neatly onto a shelf, under a counter, or beside a screen, leaving your workspace clear.
- It is built for real working environments. Powder coated and certified to BIS, RoHS, and ISO standards, it is made to keep going in demanding settings.

- It boots your way. Shipped without an operating system, it is ready for the OS and software your business already uses, with no unwanted extras.
- It connects to what you already own. HDMI and VGA outputs, a full set of audio jacks, six USB ports including front USB 2.0 and USB C, and gigabit Ethernet mean monitors, printers, scanners, and payment devices all have a home.
- It is quick to set up and easy to live with. A 12V 5A adapter and a two metre cable give you flexibility in where you place it.

Whether you are equipping a billing counter, a CCTV room, a classroom, or a small office, the Aero Mini PC delivers reliable AMD performance in a tidy, practical package.

Choose Thinvent® Aero. Small footprint, serious capability.

Thinvent Aero Mini PC

Specifications

PROCESSING

Generation	7000 Series
Series	Ryzen 5
Processor Brand	AMD
Processor Model	7530U
Cores	6
Max Frequency	4.5 GHz
Cache	16 MB
Main Memory	16 GB
SSD Storage	256 GB

DISPLAY

HDMI	1
VGA	1

AUDIO

Speaker Out	1
Mic In	1
Front Speaker Out	1
