Engineered for the heart of industry, 100% made in India.

Thinvent Neo H Mini PC: The industrial workhorse, redefined. Our most powerful Neo model is built from solid steel to thrive where others falter, delivering relentless reliability for your most critical operations.

Why this powerhouse belongs on your factory floor

- Command industrial control systems with smooth, lag-free performance, keeping your production line moving.
- Connect to a vast array of machinery and monitors simultaneously with its wealth of ports and dual network capability.

- Deploy with absolute confidence in harsh environments, thanks to its rugged, steel-clad construction.
- Simplify your IT setup with a compact, all-in-one solution that saves precious panel and desk space.
- Support the 'Make in India' initiative with a computer designed and built for the unique demands of Indian industry.

The Neo H is the steadfast digital engine for manufacturing automation, process control, and rugged digital signage. It's not just a computer; it's a durable partner for your industrial success.
