

# Thinvent Industrial PC IPC3

## Intel Core i3-1215U processor

6 core, up to 4.4 GHz, 10 MB cache

## Dual LAN

64GB DDR4 RAM (2 x 32GB)

## 1TB SSD

## No WiFi

## Thinux Embedded Linux

## Quad DB9 Serial

SKU: IPC3-I3\_12L-32\_32-M1024-12\_7-X-THINUX-4S

Built for the relentless rhythm of industry: The Thinvent IPC3.

### Engineered for Endurance

Born for the demanding environments where others falter. This fanless, rugged industrial PC thrives in the heat, dust, and constant vibration of the factory floor, delivering unwavering 24/7 operation without the point of failure that moving parts represent. Its robust aluminium chassis, with a sleek anodised finish, is 100% designed and built in India to withstand the challenges of modern industry and IoT deployments.

### Power Where It Counts

Harness efficient, modern processing power to drive your critical applications smoothly. From machine control and process monitoring to digital signage and interactive kiosks, the IPC3 handles it with consistent, reliable performance. Its fanless thermal design ensures silent running and prevents dust ingress, making it the perfect, maintenance-averse brain for your automated systems.

### Seamless Industrial Connectivity

Integrate effortlessly with legacy machinery and modern networks. With multiple serial ports and dual Gigabit LAN, this unit is a true bridge between old and new industrial ecosystems, allowing you to gather data and control equipment without compromise. Manage everything with ease through its powerful, integrated remote management tools.

### Your Trusted Embedded Foundation

Pre-loaded with our optimised Thinux™ embedded Linux OS, it provides a stable, secure, and versatile platform right out of the box. Run custom Python applications, manage content remotely via a web browser, or display vital information—all on a system designed for long-term deployment without headaches.

# Thinvent Industrial PC IPC3

## Specifications

### PROCESSING

|                 |         |
|-----------------|---------|
| Generation      | 12th    |
| Series          | i3      |
| Processor Brand | Intel   |
| Processor Model | 1215U   |
| Cores           | 6       |
| Max Frequency   | 4.4 GHz |
| Cache           | 10 MB   |
| Main Memory     | 64 GB   |
| SSD Storage     | 1024 GB |

### DISPLAY

|      |   |
|------|---|
| HDMI | 1 |
| VGA  | 1 |

### AUDIO

|             |   |
|-------------|---|
| Speaker Out | 1 |
| Mic In      | 1 |

### CONNECTIVITY

|                   |                  |
|-------------------|------------------|
| USB 3.2           | 2                |
| Front USB 2.0     | 4                |
| Front Serial Port | 2 DB9 male RS232 |
| Rear Serial Port  | 4 DB9 male RS232 |
| RS485 Option      | 1                |

### NETWORKING

|                |           |
|----------------|-----------|
| Ethernet       | 1000 Mbps |
| Ethernet Ports | 2         |

### POWER

|              |                                              |
|--------------|----------------------------------------------|
| DC Voltage   | 12 Volts                                     |
| DC Current   | 7 Amps                                       |
| Power Input  | 100~275 Volts AC, 50~60 Hz, 1.5 Amps maximum |
| Cable Length | 2 Metre                                      |

### ENVIRONMENTAL

|                       |                              |
|-----------------------|------------------------------|
| Operating Temperature | 0°C ~ 50°C                   |
| Operating Humidity    | 20% ~ 80% RH, non condensing |
| Certifications        | RoHS, ISO                    |

### PHYSICAL

|                      |                         |
|----------------------|-------------------------|
| Form Factor          | Industrial PC           |
| Thermal Design       | Fanless Passive Cooling |
| Dimensions           | 200mm × 184mm × 52mm    |
| Packing Dimensions   | 340mm × 235mm × 105mm   |
| Housing Material     | Aluminium               |
| Housing Finish       | Anodised                |
| Housing Colour       | Silver                  |
| Net and Gross Weight | 2.55kg, 2.97kg          |

### OPERATING SYSTEM

|                  |                                                                                                                                                                                                                                                                                                                                                                   |
