Small on size, big on performance – the Thinvent® Neo R/4 Mini PC is the smart heart for your busy workspace.

Make every desk work harder

- Space-saving design that slips neatly behind a monitor or under a counter, freeing up valuable desk space without sacrificing power
- Swift, responsive computing for everyday business tasks, from spreadsheets and email to point-of-sale and customer service
- Reliable Windows 11 Professional environment, ready to run the software your team already knows and trusts

Built for the real world

- Sturdy steel housing with a tough powder-coated finish, designed to shrug off the bumps and knocks of shop floors, reception areas, and light industrial settings
- Runs quietly and stays cool, so you can concentrate on the job, not the machine
- Dual-band wireless connectivity and gigabit Ethernet give you flexible, dependable networking wherever you plug in

The complete package, out of the box

- Includes a genuine Thinvent® keyboard and mouse, so it's ready to set up and start working from the minute you open the carton
- Comes with Windows 11 Professional pre-installed and activated, saving you hours of IT fiddling
- Backed by BIS, RoHS, and ISO certifications, giving you confidence in a product that meets recognised quality and safety standards

Whether you're kitting out a new office, modernising a shop floor, or equipping a remote workstation, the Neo R/4 delivers dependable performance in a neat, affordable footprint. It's the unassuming workhorse that keeps your operations ticking along smoothly – day after day. Choose the Thinvent® Neo R/4 for straightforward, no-nonsense computing that simply gets on with it.
