The Professional's Compact Powerhouse: Where Classic Reliability Meets Modern Performance.

Tired of bulky, noisy, and inefficient office PCs? Meet the Thinvent® Neo S, your streamlined solution for a focused and formidable workspace. This isn't just a computer; it's a declaration of sensible, no-nonsense productivity.

Engineered for the core of your business

Perfect for Demanding Workspaces

- Experience smooth, responsive performance for everyday business applications, from complex spreadsheets to multi-tab browsing, without the fanfare or footprint of a traditional tower.
- Its robust, steel construction and fanless design ensure whisper-quiet, dependable operation in environments from the shop floor to the reception desk.

Legacy Meets the Future, Seamlessly

- Connect to both modern monitors and specialised legacy equipment with ease, bridging the gap between new technology and essential older peripherals without the need for cumbersome adapters.
- Enjoy the full, professional features and enhanced security of a genuine Windows 11 Pro environment, right out of the box.

Simplify Your Setup

- Get straight to work with everything you need included—a complete keyboard and mouse set means it's a true plug-and-play solution.
- Its compact size liberates valuable desk space, while the low power draw and solid build promise reliability day in, day out.

The Thinvent® Neo S Thin Client delivers concentrated computing power where you need it most. It's the intelligent choice for professionals who value robust performance, seamless connectivity, and straightforward simplicity. Redefine your workspace efficiency.
