Unlock a simpler, more focused way to work.

Introducing the Thinvent® Neo S Thin Client. This isn't just another computer; it's your dedicated solution for streamlined, reliable, and secure daily computing, designed to cut through the clutter and let you get on with the task at hand.

Built for business continuity

- Experience a quiet, compact, and energy-efficient workstation that frees up valuable desk space and reduces your power consumption.
- Enjoy the familiarity and robust security of a genuine Windows 11 Pro environment, perfectly configured for dedicated office applications and legacy systems.
- Benefit from steadfast reliability with a robust steel housing, ensuring your critical work continues day in, day out.

Perfect for specialised environments

Ideal for call centres, manufacturing floors, point-of-sale systems, or any role requiring a dependable terminal to access centralised servers and legacy hardware. Its legacy port support means it seamlessly integrates with existing specialised equipment without the need for costly adaptors.

Ready to work straight from the box

We've included everything you need to get started immediately. Simply connect the included Thinvent® keyboard and mouse to your display, and you have a complete, professional workstation.

Choose the Thinvent® Neo S Thin Client for a no-fuss, professional-grade computing experience that puts reliability and simplicity first.
