Small in size, immense in capability – the Treo Mini PC quietly gets on with the job.

Wherever space is tight but performance cannot be compromised, the Treo is the perfect fit. Whether it's a bustling reception desk, a busy retail counter, a classroom, or a control room that needs constant vigilance, this compact powerhouse slips into any environment without a fuss. With a fast and responsive Intel processor at its heart, you'll notice the difference the moment you start working – smooth multitasking, quick application launches, and no frustrating delays.

Built for the real world

- Crafted from solid aluminium, the Treo is tough yet elegant, with a smooth, powder-coated black finish that looks professional in any setting.

- The clever metal housing works hard to draw heat away from the internals, keeping things cool and stable even during those long, busy days.
- It's whisper-quiet and sips power, so you can leave it running without worrying about noisy fans or soaring electricity bills.

Every detail has been thought through for effortless daily use

- It comes complete with a matching Thinvent keyboard and mouse, so you're ready to work straight out of the box.
- Windows 11 Professional is pre-installed, giving you
