Thinvent Keyboard and Mouse set

SKU: TREO-95-8-M1024-12_5-M-11O-KM

Small in size, big on presence – the Thinvent® Treo Mini PC delivers dependable everyday computing with style to spare.

Whether you're kitting out a busy front office, running a home workspace, or managing a classroom, the Treo is the quiet, tidy, and tough companion you've been waiting for. Its solid aluminium body does more than look smart – it works hard to keep things cool, so the Treo keeps running smoothly even when the day heats up. And with a compact footprint, it slots neatly beside a monitor or tucks behind a screen via the included VESA mount, freeing up your desk for the things that matter.

Why you'll love the Treo

- Effortless performance for everyday tasks, from spreadsheets to streaming
- Quick, responsive start-ups and smooth multitasking you can rely on
- Dual-band wireless keeps you connected without the cable clutter

- Genuine Windows 11 Professional, ready to work straight out of the box
- A complete keyboard and mouse set included, so you're up and running from day one

Built to last, made to be yours

Every Treo is 100% designed and made in India, which means exceptional quality control and a product you can trust. The powder-coated aluminium finish feels premium in hand and shrugs off the bumps of daily life. And if you're outfitting a large project, Thinvent can tailor the colour and design to match your brand or workspace perfectly – because your technology should look as distinctive as you are.

Choose the Treo Mini PC for a dependable, versatile, and beautifully crafted computing companion that delivers where it counts.
