Powerful Performance, Proudly Indian. Meet the Thinvent® Treo Mini PC, your compact powerhouse for business, built with precision right here in India.

Built to Endure

Crafted from solid aluminium with a sleek black finish, the Treo is more than just good looks. Its robust metal chassis ensures superior durability and efficient heat dissipation, keeping it reliably cool under pressure during long operational hours.

Adapts to Your World

Unleash its potential in any environment. Effortlessly power digital signage, streamline point-of-sale systems, or create a clutter-free workstation. Its versatile connectivity and VESA mount option mean it fits seamlessly behind a monitor or discreetly on a desk, saving you valuable space.

Your Vision, Customised

We build for your unique needs. For larger requirements, we offer customisable colours and designs, allowing you to tailor the Treo Mini PC to perfectly match your brand identity and specific application.

Simplify and Succeed

Experience a new level of operational simplicity. This ready-to-deploy solution comes complete with a keyboard and mouse, minimising setup time. It delivers the consistent, dependable performance you need to keep your business running smoothly, day in and day out. Choose the locally engineered strength of Thinvent.
