Your Business, Uncompromised: The Thinvent® Treo Mini PC.

Designed for the heart of your operation

Where performance meets purpose, this 100% designed and made in India powerhouse is built to drive your business forward. Housed in a solid aluminium chassis for superior strength and efficient heat dissipation, the Treo delivers unwavering reliability exactly where you need it.

Transform any space into a professional workstation

- Effortlessly power digital signage, point-of-sale systems, or sleek office desktops.
- Enjoy a clutter-free setup with its ultra-compact, VESA-mountable design.

- Experience seamless multitasking and rapid boot-ups for a smoother workflow.
- Connect all your essential peripherals with abundant USB ports for total control.
- Benefit from the professional-grade security and features of Windows 11 Pro, right out of the box.

Crafted with a solid metal build and a smooth, premium finish, the Treo isn't just robust—it's a statement of quality. For larger projects, we even offer customisable colours and designs to perfectly match your brand environment.

The Thinvent Treo Mini PC. Dependable, professional, and proudly Indian.
