Designed and built in India: The compact power behind your big ideas.

Meet the Thinvent Treo Mini PC, your ultimate partner for seamless productivity. This sleek, all-metal powerhouse delivers robust performance in a remarkably small footprint, perfect for decluttering any workspace. Its solid aluminium chassis isn't just stylish; it actively dissipates heat for quiet, reliable operation day in and day out.

Where it excels

- ****The modern digital office:**** Experience smooth multitasking for everyday business applications, from complex spreadsheets and presentations to video conferencing and web browsing.
- ****Retail and hospitality point-of-sale:**** Its discreet size and reliable connectivity make it an ideal, out-of-sight engine for tills, menu boards, and customer information kiosks.

- ****Educational and training environments:**** Deploy a consistent, manageable, and space-saving computing solution in classrooms, libraries, or training suites.
- ****Creative digital displays:**** Drive vibrant signage or information panels with dependable performance, thanks to its robust metal construction and efficient design.

Crafted with a premium, smooth-finish metal build, the Treo is built to last. For larger projects, we even offer customisation on colours and design to perfectly match your brand identity. Ready to work, right out of the box with Windows 11 Pro and a keyboard and mouse set included, it's the intelligent, space-conscious choice for forward-thinking businesses.
