SKU: TREO-N5-32-M512-12_5-M-W_OS-0

Unleash big power from a tiny, made-in-India marvel.

Meet the Thinvent® Treo Mini PC: Your compact powerhouse for a smarter workspace. Crafted from solid aluminium for robust durability and superior heat management, this sleek black unit is 100% designed and made in India. Its silent, fanless operation and space-saving design let you deploy it anywhere—out of sight, out of mind, but never out of power.

Built for seamless integration

- Effortlessly drive digital signage, kiosks, or interactive displays with vivid clarity.
- Transform any screen into a smart workstation for office tasks, browsing, and light productivity.

- Serve as the reliable, always-on heart of a point-of-sale system or hotel management terminal.
- Its versatile connectivity turns it into the perfect media hub or a discreet server for light-duty applications.

Made to endure and adapt

The Treo isn't just built to last with its solid metal construction and smooth finish; it's built for you. For large-scale projects, we offer customisable colours and designs to match your brand identity perfectly. Choose the Treo Mini PC for dependable, efficient performance that fits right where you need it.

Thinvent Treo Mini PC

Specifications

PROCESSING

Generation	11th
