128GB SSD

Dual Band WiFi

Windows 11 Professional

Thinvent Keyboard and Mouse set

SKU: TREO-N5-4-M128-12_5-M-11O-KM

Compact power, serious performance – the Thinvent Treo Mini PC slips effortlessly into any workspace.

Your workspace deserves better than a bulky tower. The Treo delivers a full Windows 11 Professional experience in a beautifully crafted, solid aluminium chassis that looks as good as it works. Its sleek, powder-coated black finish is more than just handsome – the metal body naturally draws heat away, so the machine stays quiet, cool, and dependable through a long day's work.

This is the perfect fit for busy offices, front desks, classrooms, and home workstations. It slides behind a monitor on its VESA mount, sits neatly on a counter, or tucks into the tightest corner without cramping your style. With fluid processing power and ample storage, day-to-day tasks run smoothly – managing spreadsheets, running retail software, browsing with multiple tabs open, and streaming video calls without a stutter.

Designed and made in India, the Treo is built to a robust standard. It is ready for the realities of dusty shop floors, lively reception areas, and hard-working home environments. Dual-band Wi-Fi and gigabit Ethernet keep you connected when and where you need it, while the generous USB ports make plugging in printers, scanners, and peripherals a simple affair.

Choose the Treo for a tidy setup, a professional appearance, and dependable daily performance – with the reassurance of a Windows 11 Professional licence and a matching keyboard and mouse included out of the box. And if you are outfitting a large organisation, Thinvent can tailor the colour and design to match your brand perfectly.

For a tidy, powerful, and proudly Indian-made mini PC, the Treo is the smart choice.

Thinvent Treo Mini PC

Specifications

PROCESSING

Generation	11th
Series	Celeron
Processor Brand	Intel
Processor Model	N5095A
Cores	4
Max Frequency	2.9 GHz
Cache	4 MB
Main Memory	4 GB
SSD Storage	128 GB

DISPLAY

HDMI	1
VGA	1

AUDIO

Speaker Out	1
Mic In	1
Front Speaker Out	1
Front Mic In	1

CONNECTIVITY

USB 3.0	4
Front USB 2.0	4
