Unleash potent performance in a robust, compact form. The Thinvent® Treo Mini PC is engineered for demanding environments, delivering industrial-grade reliability with the pride of Indian innovation.

Built for the Real World

Forged from solid aluminium, its robust chassis ensures superior heat dissipation and enduring strength in commercial and industrial settings. The sleek, powder-coated finish isn't just about looks—it's about resilience.

Your Custom Command Centre

Ideal for digital signage, kiosks, thin client deployments, or control panels, its compact design with VESA mounting tucks neatly behind any display. Dual Gigabit Ethernet ports provide unwavering network stability for critical operations.

Empowering Your Vision

Supplied with a keyboard and mouse and running the efficient Ubuntu Linux OS, it's ready to drive your projects from the moment you unbox it. For larger deployments, we offer complete customisation—from colour to design—to seamlessly match your brand and operational needs.

Experience the solid reliability of a machine built to work where you do, 100% made in India.
