Engineered for India, Powering Progress.

Meet the Thinvent® Treo Mini PC, where robust Indian engineering meets intelligent performance. This isn't just a computer; it's a resilient partner built for the demands of modern business.

Built to Last, Designed to Lead

Forged from solid aluminium for superior strength and efficient heat dissipation, the Treo offers unwavering reliability. Its sleek, powder-coated black finish ensures a professional look that withstands the rigours of any environment. For large-scale deployments, we even offer customisable colours and designs to perfectly match your brand identity.

Adaptable Power for Every Task

Experience seamless multitasking and swift responsiveness that keeps your operations flowing smoothly. Whether driving digital signage, managing point-of-sale systems, or running office applications, the Treo delivers consistent, dependable power. Its compact size allows for discreet placement almost anywhere—behind a monitor, under a desk, or mounted neatly out of sight.

Simplify Your Digital Workspace

Get started immediately with the included keyboard and mouse set. Dual LAN ports provide critical network redundancy for always-on connectivity, while versatile wireless options offer flexible setup. This complete, ready-to-deploy solution minimises complexity and maximises uptime.

The Thinvent Treo Mini PC. Dependable, adaptable, and proudly made in India for the businesses shaping tomorrow.
