Engineered for more, in a footprint that demands less.

Introducing the Thinvent Treo Mini PC, where robust Indian engineering meets intelligent design. This isn't just a compact computer; it's a powerhouse for modern business, built locally for unwavering reliability.

### Purpose-built performance

- Experience seamless multitasking and rapid application response, powered by cutting-edge Intel technology, to keep your operations flowing without lag.
- Its solid aluminium chassis isn't just for a premium, smooth feel; it actively dissipates heat to ensure cool, consistent performance day in and day out.
- Connect everything you need with dual LAN ports for network redundancy and a comprehensive array of ports, making it the ultimate hub for digital signage, point-of-sale systems, or a streamlined office workstation.

### Your vision, realised

- Ready for your environment, the Treo comes with FreeDOS for ultimate software flexibility, allowing you to install the exact operating system your project requires.
- With a standard VESA mount, it discreetly fits behind a monitor or under a desk, freeing up valuable space for what matters.
- For larger deployments, we offer customisation in colours and design, ensuring your technology aligns perfectly with your brand identity and specific application needs.

Choose the Treo Mini PC—where local craftsmanship, durable metal construction, and adaptable power converge to drive your business forward.
