Engineered in India, Built for Ambition: The Thinvent® Treo Mini PC

Discover a new standard in compact computing power, proudly designed and crafted in India. The Treo Mini PC delivers serious performance in a sleek, all-metal chassis, ready to transform your workspace without clutter.

Uncompromising Performance in a Tiny Footprint

- Experience smooth multitasking and rapid responsiveness for business applications, digital signage, and everyday productivity.
- Its robust aluminium construction isn't just for show; it ensures cool, stable operation under pressure with efficient heat dissipation.

- Connect everything you need with versatile ports and dual LAN for reliable, wired networking flexibility.

Designed for Your Vision

We understand that your business has its own identity. Beyond the sophisticated standard black with its smooth, powder-coated finish, we offer complete customisation. For larger deployments, tailor the colour and design to match your brand perfectly.

The Treo is more than a computer; it's a versatile, reliable, and elegant solution that works as hard as you do. Choose the power of local innovation, built to your specifications.
