The Power of India, Compact by Design: The Thinvent® Treo Mini PC.

Engineered to Excel

Born from a commitment to homegrown innovation, the Treo Mini PC is 100% designed and made in India. It brings formidable, reliable computing to spaces where a traditional tower simply won't fit. Its solid aluminium chassis isn't just for a premium, robust feel; it actively dissipates heat to ensure cool, stable performance day in and day out.

Adapts to Your Ambition

Whether you're setting up a digital signage network, a sleek office workstation, or a streamlined point-of-sale system, the Treo fits right in. Its professional-grade capabilities handle business applications and multimedia tasks with ease, while the dual Ethernet ports offer unparalleled network reliability for critical connections.

Built for Business, Yours to Personalise

We go beyond the standard. The Treo's sleek metal build and smooth black finish project a professional image in any setting. For larger deployments, we offer customisable colours and designs, allowing you to tailor the hardware to match your brand identity perfectly. This is industrial computing, refined and made uniquely yours.
