Small footprint, serious performance – the Treo Mini PC keeps your business moving.

Why you'll love it

- Effortless everyday computing with a fast, responsive Intel Core i3 processor that handles office work, browsing, and multitasking without breaking a sweat
- A whisper-quiet, compact design that disappears into any workspace, freeing up valuable desk space
- Windows 11 Professional included, giving you a familiar, secure, and productive environment from the moment you switch on
- A complete bundle with a matching keyboard and mouse, so you have everything you need in one box – no extra shopping required
- Ready to run 24/7 for point-of-sale, reception, and light industrial tasks, delivering dependable performance day after day

Where it shines

- Perfect for small offices, retail counters, reception desks, and classroom setups where space is tight but reliability matters
- Great as a cost-effective workstation for spreadsheets, email, web-based applications, and customer-facing systems

- Easy to mount behind a display with the included VESA bracket, turning any screen into a tidy all-in-one station

Built to last

- Solid aluminium housing with a smooth black powder coat that looks professional and acts as a natural heat sink, keeping the system cool under pressure
- Sturdy, durable construction that shrugs off the bumps and knocks of busy environments
- Designed to run in normal office and light industrial conditions, with careful attention to thermal management for long-term stability

Made in India, made for you

- 100% designed and made in India, so you can be proud of supporting local engineering and manufacturing excellence
- Need something unique? For large orders, Thinvent can tailor colours and design details to match your brand or specific requirements
- Choose the Treo Mini PC for an honest, hard-working computer that delivers real value without unnecessary frills
