Big on power, small on footprint. Introducing the Thinvent® Treo Mini PC, engineered in India for demanding business environments where space is at a premium and reliability is non-negotiable.

### Engineered for resilience

- Crafted from solid aluminium for superior heat dissipation and a robust, professional finish that endures.
- Its compact, all-metal build is designed to thrive in 24/7 operational settings, from digital signage to industrial control points.
- The versatile dual LAN and rich connectivity suite effortlessly integrate into your existing network and peripheral ecosystem.

### Your agile business partner

- Experience responsive multitasking and smooth operation for everyday business applications, kiosks, and thin client setups.
- Its discreet form factor and VESA mount capability allow for a clean, clutter-free installation anywhere you need computing power.
- Proudly 100% designed and made in India, offering the quality and support you can trust.

### Ready for your vision

Available in a sleek standard black, the Treo can also be customised in colour and design for large-scale deployments, ensuring your technology reflects your brand identity perfectly.
