The compact power behind your big ideas.

Introducing the Treo Mini PC: A desktop-class performer in a tiny, silent package. Engineered for endurance and designed to disappear, it's the perfect solution for modern digital workspaces.

## Built to Perform

- Experience smooth multitasking and rapid application response, keeping your operations flowing without frustrating lag.
- Connect effortlessly to dual displays and a full suite of peripherals for a complete, clutter-free workstation.
- Its robust solid aluminium chassis not only looks sleek but actively dissipates heat for unwavering reliability day in, day out.

## Engineered for Reliability

Forged from solid metal with a smooth, premium finish, the Treo is built to last in demanding environments. It proudly carries the mark of quality, being 100% designed and made in India. For larger deployments, we offer customisable colours and designs to perfectly match your corporate identity.

## Ready for Anything

Pre-loaded with our intuitive Thinux™ operating system, it's immediately productive. Securely manage devices remotely, run office applications, access multimedia, and support custom software—all from a remarkably frugal and dependable platform. The Treo Mini PC isn't just hardware; it's a steadfast partner for your business's digital journey.
