Unleash major potential from a mini powerhouse. The Thinvent® Treo Mini PC delivers robust, reliable computing designed to thrive in demanding environments, proudly conceived and crafted in India.

### Built for the real world

Engineered with a solid aluminium chassis for exceptional durability and superior heat dissipation, ensuring cool, consistent performance even during extended operation. Its sleek, powder-coated black finish offers a professional look that means business.

### Your versatile workhorse

Ideal for digital signage, point-of-sale systems, or as a compact workstation, its dual Gigabit LAN ports provide rock-solid network connectivity for critical applications. The included VESA mount allows for discreet, space-saving installation behind a monitor or under a desk.

### Made for you, made to last

We understand that one size doesn't fit all. For larger projects, we offer customisation on colours and design to seamlessly integrate with your brand and specific operational needs. This is industrial computing, simplified and strengthened.
