Unlock powerful performance, made entirely in India.

Introducing the Thinvent® Treo Mini PC. This compact powerhouse is engineered for reliability and built for demanding business environments where space is at a premium but performance is non-negotiable.

Built to Endure

Crafted from a solid aluminium chassis with a sleek black finish, the Treo Mini PC isn't just robust—it's intelligently designed. The metal body acts as a natural heat sink, ensuring cool, stable operation 24/7, which means less downtime and greater longevity for your critical operations.

Adapts to Your World

- Effortlessly drive digital signage, point-of-sale systems, or office workstations without cluttering the desk.

- Its dual Ethernet ports provide network redundancy for always-on connectivity, perfect for secure business networks.
- The versatile VESA mount lets you discreetly secure it behind a monitor or under a desk, creating a clean, professional setup.

Your Vision, Your Machine

We understand that your brand matters. For larger projects, we offer customisation in colours and design, allowing your hardware to seamlessly reflect your company's identity and integrate perfectly into your specific application.

Ready for work right out of the box with Windows 11 Pro and a complete Thinvent keyboard and mouse set, the Treo Mini PC is the dependable, professional-grade computing solution that supports your business, silently and powerfully, from the heart of your operations.
