Introducing the Thinvent Treo Mini PC

This industrial-grade powerhouse is built from the ground up for demanding environments. Forget fragile plastic casings; its solid aluminium chassis ensures superior durability and efficient heat dissipation, keeping your operations running cool and stable.

Ideal for a Connected Future

- Deploy effortlessly in digital signage, kiosks, or interactive displays with robust dual LAN connectivity.
- Leverage its embedded Linux OS for secure, low-maintenance operation in thin-client setups or dedicated control panels.

- Enjoy versatile remote management and support for a wide range of productivity and development tools right out of the box.

Built to Your Vision

We understand that your brand is unique. For larger projects, we offer customisation in colours and design, allowing this resilient computer to integrate seamlessly into your specific application and corporate identity.

Choose the Treo Mini PC for a robust, dependable, and proudly Indian computing solution that works as hard as you do.
