Small footprint, big performance – the Treo Mini PC keeps your workspace tidy and your business moving.

The Thinvent Treo is the dependable workhorse your office has been waiting for. Whether you are managing spreadsheets, running point-of-sale software, or presenting to clients, this compact computer slips quietly onto any desk, behind a monitor, or onto the wall with its included VESA mount. It frees up your space without sacrificing the power you need for daily tasks, and it comes ready to work out of the box with Windows 11 Professional, plus a keyboard and mouse.

Why make the Treo your next investment?

- Space-saving design that turns any clutter into a clean, productive workstation
- Fast and responsive performance for multitasking, web browsing, and office applications, thanks to its modern Intel Core processor
- Rock-solid reliability built for long hours, so you can focus on your work, not your PC
- Keeps its cool under pressure – the solid aluminium body naturally draws heat away, meaning quieter operation and a longer lifespan

- Seamless connectivity with dual-band WiFi and gigabit Ethernet, so you can stay online wherever you plug in

Use cases that fit just right

- Front-desk and admin stations where quiet and space matter
- Retail tills and booking systems that need to stay up all day
- Classroom and training setups that demand dependable, easy-to-manage machines
- Light industrial settings where dust and heat would trouble a typical desktop

With 100% design and manufacture in India, the Treo is built to a standard you can trust. Its black powder-coated aluminium finish looks professional and resists wear, and for larger requirements, Thinvent can tailor colours and designs to match your brand or environment. Choose the Treo for a no-nonsense, space-conscious computer that simply gets on with the job.
