Engineered for Excellence, Built for India.

The Thinvent® Treo Mini PC is your robust, reliable partner for demanding industrial and commercial environments. This powerful, compact system delivers seamless performance where it matters most, all while proudly supporting homegrown innovation.

### Designed to Endure

Crafted from solid aluminium with a sleek black finish, the Treo dissipates heat efficiently for unwavering stability in continuous operation. Its rugged, all-metal build ensures it stands up to the rigours of any workspace.

### Uncompromising Performance

Tackle complex tasks with confidence. From driving digital signage and interactive kiosks to managing point-of-sale systems and thin client networks, the Treo provides the responsive, dependable computing power your operations require.

### Simplified Control and Deployment

Pre-installed with Thinux™ Embedded Linux, it offers a secure, stable platform with essential tools for remote management and a suite of productivity applications. Its compact size and VESA mount allow for discreet, space-saving installation almost anywhere.

### Your Vision, Your Brand

We understand that your needs are unique. For large-scale projects, we offer customisation in colours and design, allowing this resilient workhorse to integrate perfectly with your corporate identity and specific application.

### A Proud Investment

By choosing the Thinvent Treo, you're not just acquiring a superior industrial computer; you're investing in 100% Indian design and manufacturing, supporting local expertise and receiving a product built for your market's specific challenges.
