Powerfully compact computing, designed for the future of Indian industry.

Meet the Thinvent® Treo Mini PC: the robust, all-Indian engine for your business operations. Built with a solid aluminium chassis for superior strength and cool, reliable performance, it delivers serious processing power in a remarkably small footprint. This is the dependable core for a smarter, more efficient workplace.

### Perfect for your enterprise

- Streamline daily tasks with seamless multitasking and rapid responsiveness, keeping your teams productive.
- Create a clutter-free digital signage or kiosk solution with its discreet, VESA-mountable design.
- Establish a reliable, wired network backbone for point-of-sale systems or office workstations with dual LAN ports.

- Benefit from enduring quality and efficient heat dissipation thanks to its solid metal construction.

### Built for your vision

Crafted entirely in India, the Treo represents a commitment to local manufacturing excellence. Its smooth, powder-coated finish in classic black offers a professional look built to last. For larger projects, we even offer customisable colours and designs to perfectly match your brand identity.

Ready to work, right out of the box, it includes Windows 11 Pro and a Thinvent keyboard and mouse set. Deploy the compact, powerful, and proudly Indian computing solution made to drive your business forward.
