Engineered for the heart of your enterprise, crafted entirely in India.

Unlock new possibilities with a compact powerhouse designed for demanding environments. The Thinvent® Treo Mini PC delivers robust performance in an elegant, solid aluminium chassis that ensures reliable operation day in, day out.

Built for reliability

Its sleek, powder-coated black aluminium housing isn't just about aesthetics—it actively dissipates heat to maintain peak performance. This solid metal build offers a smooth, professional finish that stands up to the rigours of industrial and commercial use.

Tailored for your vision

We understand that your business is unique. For larger deployments, we offer customisation in colours and design, allowing you to create a seamless and branded technology ecosystem that reflects your company's identity.

Perfect for

- Digital signage and interactive kiosks that require unwavering uptime.
- A streamlined hub for office productivity and thin client setups.
- Industrial automation and control systems needing a durable, always-on computer.
- Creating a clutter-free, powerful workstation in space-constrained areas.
