Engineered for Endurance, Crafted with Pride.

### Uncompromising Power in a Compact Frame

Harness the robust performance of this entirely Indian-made mini PC, designed for demanding industrial environments. Its solid aluminium chassis isn't just about a sleek, smooth finish; it actively dissipates heat to ensure unwavering reliability where it matters most.

### Built for Your Business

- Deploy a silent, space-saving workhorse for digital signage, point-of-sale systems, or factory floor control panels.
- Benefit from dual Ethernet ports for reliable, wired network redundancy in critical operations.

- Enjoy the versatility of multiple connectivity options to interface with a wide range of peripherals and displays.

### A Foundation for Your Vision

Supplied with a base operating system, this machine is a blank canvas ready to be configured with your specialised software. Its resilient metal build is prepared for 24/7 duty, offering steadfast performance in challenging conditions.

### Make It Uniquely Yours

Have a large-scale deployment? We offer customisation in colours and design, allowing you to tailor these durable units to your corporate identity or specific application needs. Choose a partner that builds strength and adaptability into every component.
