Small footprint, serious staying power.

The Thinvent Treo Mini PC is the quiet workhorse your workspace has been waiting for. Built to handle demanding everyday computing without taking up precious desk space, this compact powerhouse keeps your operations flowing smoothly, whether you're running an office, a shop floor, or a busy reception desk.

Crafted for real-world reliability

- A solid aluminium body that works as a heat sink, keeping the system cool and stable even during long shifts in warm environments.
- A smooth, powder-coated finish that resists scuffs and looks professional wherever it sits.
- 100% designed and made in India, giving you confidence in build quality and supporting local manufacturing.

Why you'll want one

- Effortless multitasking for business software, web-based applications, and everyday productivity tasks.

- Flexible display support lets you run dual screens with ease, perfect for spreadsheets, dashboards, and customer-facing displays.
- A full suite of USB and audio ports means your keyboard, mouse, headset, and peripherals stay plugged in and ready.
- Gigabit Ethernet provides a stable, wired connection for uninterrupted work, no matter how busy your network gets.
- Runs Windows 11 Professional, so your business gets the security and management features you need.
- With a VESA mount included, you can tuck it neatly behind a monitor or under a desk, keeping your workspace clutter-free.

Need something a little different? For larger requirements, Thinvent offers customisable colours and design options to match your brand or application perfectly. Choose the Treo for lasting performance, dependable construction, and the peace of mind that comes with a machine built to keep working, day after day.
