Unleash big performance from a remarkably compact powerhouse.

Engineered for demanding environments, the Thinvent® Treo Mini PC is your reliable partner for seamless digital operations. Its robust, all-metal construction isn't just for show—the solid aluminium chassis ensures superior heat dissipation for unwavering stability during long hours of intensive work.

Built for the real world

- Experience fluid multitasking and rapid data processing, keeping your business operations agile and responsive.
- Connect effortlessly with versatile ports and dual LAN for flexible networking and peripheral integration in industrial or commercial setups.

- Enjoy reliable wireless connectivity and the option for a clutter-free VESA mount, saving valuable space in offices, retail points, or control rooms.
- Benefit from a premium, powder-coated finish designed for durability in everyday use.

Proudly conceived and crafted in India, the Treo offers the flexibility to match your brand. For large-scale deployments, we provide customisable colour and design options to create a cohesive and professional look across your entire organisation. This is more than a computer; it's a tailored solution for a smarter, more connected workspace.
