Unlock power in a compact package, proudly made in India.

### Engineered for demanding environments

The Thinvent Treo Mini PC is built to excel where reliability matters most. Its solid aluminium chassis isn't just about a premium, smooth finish—it actively dissipates heat for unwavering performance in industrial settings, from the factory floor to the digital signage network.

### Your dedicated workhorse

With formidable processing power at its core, the Treo handles multitasking and complex applications with ease. Dual Gigabit LAN ports ensure rock-solid, high-speed network connections, making it the perfect hub for point-of-sale systems, automation controls, or secure office workstations.

### Designed for your vision

We build it to fit your world. The versatile VESA mount lets you discreetly secure the Treo behind a monitor or panel, saving crucial space. For larger deployments, we offer customisation in colours and design, allowing seamless integration with your corporate identity or operational aesthetic.

A complete, reliable solution out of the box, ready to drive your business forward with robust, Indian-engineered performance.
