Engineered for India, Powering Your Vision

Unleash formidable performance in a remarkably compact and robust chassis. The Thinvent Treo Mini PC is your steadfast partner for demanding industrial and commercial applications, built entirely on home soil for unwavering reliability.

Built for the Real World

- Experience silent, fanless operation with superior heat dissipation thanks to its solid aluminium construction.
- Deploy with absolute confidence in harsh environments, from factory floors to digital signage installations.
- Connect seamlessly to a wide array of legacy and modern peripherals with its comprehensive port selection.

Simplify Your Operations

- Manage your entire fleet effortlessly with powerful, browser-based remote management tools.
- Run critical location-based applications, multimedia content, or office productivity suites with smooth, responsive power.
- Create a tailored digital ecosystem with the versatile Thinix Embedded Linux platform, ready for your specialised software.

Your Vision, Customised

Beyond its standard sleek black finish, we offer complete customisation of colour and design for large-scale projects. Make the Treo Mini PC not just a tool, but a seamless part of your brand identity and operational environment. Choose the robust, adaptable computing core that works as hard as you do.
