Power through your day with the Thinvent Treo—reliable performance in a compact, industrial-grade design.

Built for the backbone of your business

- Drive digital signage, kiosks, or point-of-sale systems with effortless responsiveness
- Handle data entry, office tasks, or light multimedia playback without a hitch
- 100% designed and made in India—trust in local engineering and support
- Solid aluminium chassis acts as a natural heatsink, keeping operations cool and stable even in demanding environments
- Powder-coated black finish gives a professional look that resists wear in busy workspaces
- Customisable colours and design available for volume orders—match your brand or fit specific deployment needs
- VESA mount included, so you can tuck it discreetly behind a monitor or under a desk for a clutter-free setup
- Comes complete with matching keyboard and mouse—everything you need to get started out of the box
- FreeDOS installed for maximum flexibility; load the OS that suits your workflow

Whether you're upgrading a retail counter, a control room, or a classroom, the Treo Mini PC delivers dependable, silent operation in a space-saving form. No unnecessary extras—just solid, capable computing built to last.
