Big performance in a small, made in India package.

The Thinvent® Treo Mini PC brings serious computing power to your desk, your shop floor, or your kiosk without taking up the space of a traditional tower. With an AMD Ryzen™ 5 7530U processor under the hood, it handles everyday business workloads, billing counters, and point of sale systems with ease.

Why choose the Treo Mini PC

- Made in India, designed and built here, so you get local support and a product tailored to Indian conditions.
- Solid aluminium housing in a sleek black powder coated finish that helps dissipate heat and keeps your system running smoothly through long working days.

- Compact footprint that fits neatly on a counter, under a monitor, or on a VESA mount behind a display.
- Rich connectivity with dual display outputs, multiple USB ports, and gigabit Ethernet for reliable wired networking.
- Flexible deployment across retail, offices, and industrial environments within the supported operating range.
- Customisable colours and design available for large orders, so your fleet can match your brand.

Whether you are equipping a chain of retail outlets, setting up a computer lab, or building a dedicated workstation, the Treo Mini PC gives you dependable performance in a form factor that goes wherever you need it.
