Simplify your space and empower your team.

Introducing the Thinvent® Uno 21.5" All-in-One PC: the complete desktop solution designed to streamline your operations and boost productivity. By consolidating everything into one elegant, cable-free unit, it declutters your workstations, creating a more professional and focused environment.

Perfect for daily business tasks

- Ideal for point-of-sale systems, reception desks, and administrative hubs.
- Provides a reliable, always-ready platform for customer service and office applications.
- Its clean, integrated design projects a modern, efficient image to clients and staff.

Built for comfort and control

- The height-adjustable stand ensures every user can find their perfect, ergonomic viewing angle, reducing strain during long shifts.
- Enjoy crisp visuals on the full HD display, perfect for presentations, spreadsheets, and multimedia content.
- With robust connectivity options, it seamlessly integrates with your existing peripherals and network.

Why choose the Thinvent Uno?

It delivers dependable Windows 11 Pro performance in a sleek, space-saving package. Free up desk real estate, simplify your IT setup, and provide your team with a tool that supports them comfortably throughout the workday. It's the straightforward upgrade for a more organised and effective workplace.
