The reliable core for your daily operations.

Engineered for the business that never sleeps, the Thinvent Uno delivers dependable performance in a sleek, space-saving design. It's the all-in-one workhorse built to streamline your workplace without complexity.

Perfect for

- Front desks and customer service points, providing a clean and professional interface.
- Digital signage and information kiosks in retail or hospitality settings.
- Light administrative tasks, invoicing, and inventory management.

- Educational environments and training rooms where simplicity is key.

Why choose the Uno?

Its integrated design means less clutter and a quicker setup, so you can focus on your work, not your wiring. The robust construction ensures it can handle the demands of a commercial environment day in, day out. With versatile connectivity, it seamlessly integrates with the peripherals you already use. It's the straightforward, no-fuss computing solution that gets the job done.
