The Uno: Big-Screen Simplicity for Your Business.

Imagine a powerful, uncomplicated workhorse that frees up your workspace and gets straight down to business. The Thinvent Uno All-in-One PC consolidates everything into a single, sleek unit, eliminating the clutter of a traditional desktop tower. Its crisp 21.5-inch screen and versatile connectivity make it the perfect central hub for a wide range of daily tasks.

Why choose the Uno All-in-One

- Boost productivity and presentation quality with a vibrant, full HD display that's ideal for client meetings, digital signage, or detailed design work.
- Enjoy a clean, professional setup that saves valuable desk space, simplifying cable management and improving the overall look of any reception, workshop, or office.
- Adapt the viewing angle effortlessly with the height-adjustable stand, ensuring comfortable use for every team member throughout the long workday.
- Deploy your preferred operating system with ease on this flexible, no-OS platform, creating a tailored solution for specialised software or secure network environments.
- Rely on robust, industrial-grade construction built to deliver consistent performance in demanding commercial settings, from retail points of sale to factory floor monitoring.
