Space-saving power, effortlessly professional.

Meet the Thinvent Uno 21.5" All-in-One PC – the quiet workhorse your workspace has been waiting for. This isn't just a computer; it's a complete, clutter-free solution that transforms any desk, countertop or shop floor into a hub of productivity.

Why wrestle with bulky towers and tangled cables? The Uno combines everything neatly behind a crisp, full-HD display, freeing up valuable space for the things that truly matter. It slips into reception areas, retail checkouts, clinic waiting rooms and light industrial settings with ease, bringing a clean, modern look to any environment.

Day in, day out, the Uno proves its worth. It starts quickly, handles everyday business tasks with smooth efficiency, and keeps running reliably even when the working day gets busy. Built with a robust alloy and steel housing, it shrugs off the bumps and knocks of busy public spaces, while its thoughtful pop-up webcam adds a touch of privacy and security when you're not on video calls.

Designed with connection in mind

- Plenty of USB ports for peripherals, from barcode scanners to receipt printers
- Wired gigabit Ethernet for fast, dependable network access
- VGA and HDMI outputs ready for a second screen or signage display

Pre-loaded with Windows 11 Professional, the Thinvent Uno gives you familiar, secure and powerful tools right out of the box. And with its fixed stand, it stands ready to serve – no fuss, no assembly headaches.

If you need a dependable, stylish and space-conscious computer that simply gets the job done, look no further. Choose the Thinvent Uno and keep your business moving.
