Unlock new potential with streamlined, professional computing.

Meet the Thinvent® Uno All-in-One PC: a sleek, space-saving solution designed to declutter your workspace while delivering robust performance for demanding business environments. Its integrated 21.5" display provides a crisp, clear window into your daily tasks, all from a single, elegant unit that eliminates the tangle of traditional desktop towers.

Perfect for your business

- Effortlessly manage point-of-sale systems, digital signage, or control panels with reliable, always-on performance.
- Enjoy the flexibility of a custom software setup, installing your preferred operating system for a truly tailored experience.

- Connect with confidence using dual LAN ports for network redundancy or segregating traffic, ensuring your operations never skip a beat.
- Save valuable desk space with the compact, all-in-one design, allowing for a cleaner, more professional customer-facing area.
- Benefit from a robust build quality designed for longevity in commercial settings, from retail shops to light industrial kiosks.

Simplify your infrastructure and empower your team with a dependable, professional-grade computer built for the long haul. The Thinvent Uno is the clear choice for a smarter, more efficient workspace.
