Meet the Thinvent Uno 21.5: the all-in-one workhorse that brings effortless power, security, and flexibility to your busy workspace.

Why you'll love it

- Run your day without slowdowns, whether you're managing stock, handling customer bookings, or running service desk software.
- Enjoy a crisp, clear screen that keeps you comfortable from morning to night, with a stand that adjusts to your ideal viewing height.
- Keep your workspace tidy and professional with a discreet pop-up camera that appears only when you need it.
- Stay connected and dependable thanks to dual wired network ports, perfect for POS systems, back-office tasks, or secure internal data.

- Its robust metal and steel housing shrugs off the bumps and knocks of daily use, while efficient cooling keeps it quiet and reliable even during long shifts.
- With Windows 11 Pro, you get robust security and smooth management tools that help your IT team sleep easy.

The smart choice

- The Thinvent Uno 21.5 is an ideal alternative to ageing desktop towers and a brilliant upgrade for any space that needs a dependable, space-saving computing solution.
- It arrives ready to work right out of the box, so you can spend less time setting up and more time getting things done.

Built for real businesses

- This is a machine designed to fit straight into a hard-working environment, from retail counters and hotel front desks to factory floor monitoring stations.

Give your team a screen they'll thank you for, backed by Thinvent's trusted industrial pedigree and a two-metre power cable that reaches that awkward socket with ease.
