Work smarter, look sharper, and keep everything under control.

Your all-in-one command centre

- Brings polished, professional performance to any desk without the clutter
- Handles demanding everyday tasks with speed and grace, so you can glide through spreadsheets, presentations, and cloud apps
- Keeps your workspace tidy and your team productive, whether in the office, the shop floor, or the front of house

Designed around comfort and security

- Adjust the screen height to suit you, reducing neck and back strain during long shifts
- The discreet pop-up camera tucks away when not in use, putting privacy firmly back in your hands
- A crisp, wide-angle display makes every dashboard, chart, and video call easy to read from any position

Built for real-world reliability

- Rugged construction that shrugs off the bumps and knocks of busy environments
- Dual network connections give you fast, stable connectivity and the flexibility to separate secure internal systems from customer-facing ones
- Runs quietly and coolly hour after hour, so it keeps performing while you focus on the job

Ready for the roles that matter

- Ideal for reception desks, retail counters, hospitality check-in, healthcare stations, and light industrial control
- Comes with Windows 11 Professional, so you get familiar tools, robust security, and simple management from day one
- A space-saving, solid design that looks the part and earns its keep

Choose the Thinvent Uno 21.5" for a clean, capable, and dependable workstation that lets you get on with business.
