Engineered for the Demands of the Workspace

Meet the Thinvent® Uno All-in-One PC, a streamlined solution designed to power your business essentials without the clutter.

Built for Reliability

Forged from robust aluminium alloy and steel, the Uno is built to endure the daily rigours of industrial and commercial environments. Its fixed stand ensures unwavering stability on any desk or counter, while the clean, all-in-one design eliminates cable chaos for a professional and secure workspace.

Uncompromising Performance for Core Tasks

Harness the efficiency of a modern Intel® Core™ processor, delivering responsive performance for your daily business software, point-of-sale systems, and administrative applications. Dual Gigabit Ethernet ports provide rock-solid, wired network connectivity for seamless data transfer and dependable operations, keeping your business running smoothly.

Simplified and Secure Operation

Get straight to work with the integrated, pop-up camera for clear video calls and the crisp 21.5-inch display for comfortable viewing. Pre-installed Windows 11 Pro offers powerful management tools and enhanced security features right out of the box. The professional-grade build includes a Kensington lock slot for added physical security, giving you complete peace of mind.
